From August 2004 to April 2005 Surgeon for GSUP one in Nuffield hospital (DERBY UK)

I also work in Capio hospital in Salisbury (UK) one week every two months

Speciality Training:

Fellow Ship in Okayama and Shiga University (JAPAN) Three months between august 1994 and october 1994

Lenox Hill Hospital and Hospital for Special Surgery Stage to learn Operative technic (These two Hospital are in New York USA). I stay fifteen days, on MAY 1997 and on November 1999.

Bonutti Clinic (USA): I stay in this clinic to learn the Minimal Invasive Surgery procedure in Total Knee Replacement

SURGICAL ACTIVITY

I perform Hip and Knee replacement with minimal invasive approach (posterior and anterior approach for the hip).

I'm also trained with navigation (Stryker system with MIS scorpio prosthesis and triathlon)

Now I am reference center for MIS and Navigation for knee surgery with STRYKER (Scorpio prosthesis and now triathlon) (now more than 500 procedures)

I'm also trained with resurfacing prosthesis (I use Conserve+ from WRIGHT Laboratory and I have done 79 procedures)

Year 2005

125 TKR
220 THR
8 Hip revision
7 knee revision
154 arthroscopy
35 LCA procedure
32 patella operation

Year 2007

195 TKR
224 THR
12 Hip revision
9 Knee revision
158 arthroscopy
42 LCA procedure
38 Patella operation

Year 2006

164 TKR
231 THR
7 Hip revision
10 Knee revision
160 arthroscopy
39 LCA procedure
37 patella operation

Year 2008

149 TKR
175 THR
7 Knee revision
11 hip revision
162 arthroscopy
39 LCA procedure
35 patella procedure

TEACHING RESPONSIBILITIES

I continue to teach the nurse in Abbeville medical school

During my study in Amiens I have taught the nurse, the physiotherapist and also the young doctor in Amiens University of medicine

I welcome surgeons to show them the TKR MIS procedure (Computer assisted) (French and also Japanese)

I have done many communications about the advantage of the MIS procedure in TKR (Paris 2004, Amiens 2006, Caen 2007, Prague 2008)

I also do Workshop with surgeons to learn MIS technic
